Using Gift Aid means that for every pound you give, we get an extra 25 pence from the HMRC, helping your donation go further.

This means that £100 can be turned into £125, just so long as donations are made through Gift Aid.
Imagine what a difference that could make and it doesn't cost you a thing.

To qualify for Gift Aid, what you pay in United Kingdom income tax or capital gains tax must at least equal the amount we will claim in the tax year, and you must provide your full name and home address details.
