

An Agreement between Capital Audiology and the end user

This is an agreement set out between Capital Audiology and the end user signed below. The SpeechEasy device remains the property of Capital Audiology and should be returned in the same condition as it was issued to the end user. The SpeechEasy device is only to be worn as advised on consultation and should not be modified or tampered with, other than to change the battery.

Please also note;

In the event the item is lost or stolen the full amount will become payable immediately.

If on return we find the device faulty or damaged the full repair charge would be applied at £135.

You may trial the device for 5 working days Monday to Friday there are no exceptions however if for any reason you cannot get the item to our offices please contact us.

Capital Audiology do not offer any insurance for loss, theft, damage or otherwise. The replacement value of the device is £3,050. We would advise that you obtain insurance by private arrangement while it's under your care.

The sole responsibility of the device rests with the person signed below
